

# Matching Game

**Ages:** All

**Instructions:** To play the game flip all of the cards pictured side up. Sort the cards into groups of four. Each group of four will have a picture of the edible portion of the vegetable, the corresponding flower, what the seed is encased in and the seed itself. Check your results by flipping the card to see the answer at the back.

## **Alternative Game: Go Fish**

**Instructions:** Deal out all the cards, words facing you. Take turns asking any player if they have a certain vegetable card. If they do not have the card, the next player asks. Once you've collected all four, put the cards picture up on the tables. The person to collect the most sets wins.
